

**Phil Brown**  
**GBR**

Philip Brown (35) will be making his five-star debut at Burghley. Whilst Yorkshire born, he has been based in Stamford for the last two and a half years, and can even see Burghley house from his yard. He qualified a different horse six years ago but with rule changes and horse injury never made it to the start line.

He is a full-time rider and coach, BE accredited and also one of the three Youth Coaches for BE's East Midlands region.

**Harry Robinson** is a 14-year-old gelding by Laytender out of Jodie, by Ontario. He is owned by Orbit Electrical Services Ltd, who are based just down the road from Phil's parents, and his original base, in Yorkshire. Phil has had Harry since he was a six-year-old, bringing him on from BE100 level. Phil describes him as: 'the most loveable and chilled out horse on the ground but quite full on when under the saddle. Cross-country is his strongest phase and I have focussed hard on his and my fitness.'
