

Felicity Collins
GBR

It will be a first competitive visit to Burghley for British rider Felicity Collins (24) who is based near Hailsham in East Sussex where she runs a busy yard in partnership with her mother. With Burghley entry RSH Contend Or Felicity was placed 10th in the 5* section at Bicton last September, her first five-star completion, and 21st at this year's Badminton.

A daughter of former Badminton rider Vicky Collins, Felicity learnt to ride at a young age and from early on was keen to follow in her mother's footsteps. In 2016 she won a European Junior team bronze medal and in 2017 a team bronze at the Young Rider European Championships in Millstreet. That year she was the Under-21 Champion. In 2019 with Contend Or she won European YR team gold.

Felicity made her five-star debut with the homebred Just Amazing, a close relation to Vicky's five-star horse Welton Molecule. Felicity is 'passionate about breeding' and has developed a small breeding programme and aims to produce future champions of the sport. She trains with Caroline Moore.

RSH Contend Or, (aka Mickey), owned by Avrina Milton and Vicky Collins is a 13-year-old Oldenburg. Bred in the Netherlands he is by Nintender out of Coulonia by Toulon. He was acquired in 2015 from Richmond Sport Horses as a six-year-old. With Felicity he has competed in successful British Junior and Young Rider European teams and last year completed his first five-star at Bicton followed by Badminton this spring.
