

Clayton Fredericks AUS

Australian rider Clayton Fredericks (54) is making a welcome return to Burghley. Now based in Florida he spent many years in the UK, when married to Lucinda Fredericks with whom he has daughter Ellie.

Born in Moora, Western Australia, he started riding at the age of eight, not discovering cross-country until he was 16. Clayton went on to enjoy a stellar career, including winning Lexington five-star in 2007 and taking the individual silver medal at the 2006 World Championships. After moving to America he stepped back from elite sport and has focussed on training and course design, whilst continuing to compete.

He is now married to Lisa Baker and the pair have a son, Hunter.

FE Coldplay is a 10-year-old gelding owned by Clayton, Diana Crawrod and Hugh Wrigley. He came to the UK after running at Lexington 4*S, preparing for Burghley with runs at Millstreet and Alnwick.
