

Emily Hamel
USA

It will be a first Burghley for American rider Emily Hamel (36), who came to the UK in the spring to contest their first Badminton. With her Badminton and Burghley entry Corvett, Emily completed her first 5* at Lexington in 2021, also completing Elkton 5* later in the year. She funded her trip to the UK by renting her house out for a year.

Normally based in Pennsylvania with her trainer Phillip Dutton, and originally from Wisconsin, Emily has been staying with Wayfarer Eventing whilst preparing for Burghley. As well as teaching riding, Emily is the co-host of The Whole Equestrian podcast. She is training for a yoga teacher certificate.

Corvett, (aka Barry), owned by the Black Flag Option Syndicate, is a 15-year-old German-bred Holsteiner. He is jumping bred by the international jumper Corrido out of Tina XII by Clearway. He began his international event career in 2017, aged 10, but by the following season was competing at 3*. Lexington 2021 was his first 5* and he completed Badminton this spring.
