

Harry Mutch
GBR

It will be a first Burghley for British rider Harry Mutch (25), who is based near Whitley Bay in Tyne and Wear where he runs Harry Mutch Eventing Ltd. With Burghley entry HD Bronze Harry completed Badminton in 2019, his first event at the level.

Harry started riding at the age of eight and completed his first season of eventing in 2013 aged 16. HD Bronze was acquired in Ireland as a five-year-old and as Harry had only been riding for a year was given to David Herron to start eventing – he was then competed by Kirsty Corder for one season and Emily Galbraith. Harry took the ride in 2015 after the horse had recovered from a chipped stifle, since when he has been placed at every level bar 5*. He is described as ‘sensitive and tricky but a cross country machine’.

Harry trains with Christopher Bartle. His Great-Uncle Eric Thompson completed Badminton on several occasions.

HD Bronze is an Irish-bred 16-year-old gelding. He is by the successful Holstein sire Limmerick (sire of several five-star horses including Magennis, Lara’s Song, Shannondale Titan, Loughan Glen, Graf Liberty) out of Northern Madera by the thoroughbred Toca Madera (Taufan-Ribero).
