

Jonelle Price **NZL**

New Zealand Olympic rider Jonelle Price (41) is based near Marlborough in Wiltshire where with husband Tim– also entered for Burghley – the pair run a yard together. It will be the seventh visit to the event for Jonelle who retired Faerie Dianimo on the cross country in 2019. Her previous visit, in 2016, was more successful; she finished 3rd with Classic Moet – who she rides again here this year. Jonelle was a member of the New Zealand team for the 2018 WEG and the 2016 and 2012 Olympic Games. She is currently #5 in the FEI World Rider ranking.

Jonelle hails from Nelson in the South Island of New Zealand and is the youngest of four from a non-horsey family – her father was a butcher. Her ‘bizarre passion for horses’ is something of a mystery and was fired when she made a friend who had horses. After school Jonelle went to study law at Canterbury University, and completed the first year before giving up to pursue her dream of eventing at the highest level.

She trains with dressage rider and judge Isobel Wessels and Luis Alvarez. Jonelle enjoys cooking and off the beaten track holidays and watching the All Blacks play Rugby.

She and husband Tim began dating in 2001 and came to the UK together to prepare for the 2004 Olympic Games. They relocated to the UK in 2005 and married in NZ in 2013; they have a five-year-old son Otis and a two-year-old daughter, Abel.

Classic Moet, owned by Trisha Rickards and Jonelle Price, is a 19-year-old British-bred mare. Bred by Elaine Hepworth she is by the thoroughbred Classic out of a mare, Gamston Bubbles, by Bohemond. She was produced to two-star level by Karen Dixon then acquired by Trisha and ridden by Darrell Scaife and Elizabeth Power before the ride passed to Jonelle in 2013. The pair finished third at Burghley in 2016 and won Badminton in 2018.
