

Morven Pringle
GBR

Burghley first timer British rider Morven Pringle (27) is based near Lockerbie in Southern Scotland where she runs her own yard, with a small string of five horses to event. She also rides out five mornings a week at the local racing yard. At the beginning of July this year she travelled to Tanzania to climb Kilimanjaro, raising money for The Wilberry Wonder Pony charity.

Dunbog Gypsy Rose, AKA Rosie, is a 15-year-old Irish Sport Horse by Colourfield out of Glenside Molly by Orbis. She is owned by Morven who bought her as a five-year-old as her first proper horse coming off ponies. Morven admits the aim was to get to intermediate level, so she has surpassed all expectations. Described as, 'quite pony like but with a massive heart and incredibly gutsy,' the pair's highlight to date was jumping double clear and finishing in the top 20 at Bramham earlier this year. Regarding Burghley: 'I am really looking forward to it, we are just going to enjoy every second and give it our best shot.'
