

Richard Skelt
GBR

It will be a second Burghley for British rider Richard Skelt (40) who is based in Stilton, Cambridgeshire just down the A1 from Burghley, near Peterborough.

Richard began riding as a child on loaned ponies and was initially self-taught. He bought his first pony by saving up through working weekends for Marietta Fox-Pitt. After school he went to Hadlow (equestrian) College gaining BHS qualifications and continuing to work for Marietta, and during his last year at college worked for William Fox-Pitt. He then moved to a Cambridgeshire dealing/hunter yard and during this time hunted with the Cambridgeshire University Draghounds and the Fitzwilliam Hunt. The owner of the yard bought him a horse for eventing.

Credo III owned by Mrs Una Roe and Mr Neil Todd is a 15-year-old Dutch-bred KWPN registered gelding. He was acquired from the well-known Cambridgeshire dealer, the late Henry Hill and is by Tenerife VDL out of a mare by Marlon. He has been brought through the grades by Richard.
